

Pop Tab Program

Little things can make a big difference. You can help support Ronald McDonald House Rochester by collecting the little tabs you pull to open soda, soup or other aluminum cans. We can then redeem the tabs for cash at Premier Metal Group, our local recycling partner. Collecting tabs is an easy and fun project that anyone can do!

How much is a pop tab worth?

The amount of money we receive when we recycle pop tabs is determined by the total weight of the tabs we redeem and the current redemption value. All funds raised from our recycling efforts support the children and families served by Ronald McDonald House Rochester.

Why collect pop tabs?

Collecting pop tabs makes it easy to recycle and help Ronald McDonald House Rochester at the same time. We work with a local recycler to redeem pop tabs for money that helps us provide services for families with seriously ill or injured children. You can collect pop tabs on your own at home, or collect them with a group at school, at work, or anywhere else you can think of!
